№ 41

“ 25 ” 02 2014 թ.

To: **FLTECHNICS Training Organisation**

Ladies and Gentlemen,

We hereby confirm that the **FLTECHNICS** Training Organisation was evaluated and complies with the requirements for Airbus A320 family with CFM56 and V2500 engines and Boeing 737-300/400/500(CFM56) Type Training Organisations in accordance with Section A of Annex IV (Part-147) of Regulation (EC) No 2042/2003. After an assessment of a Training Course, **FLTECHNICS TO** Maintenance Training Organisation Exposition we accept to carry out the following training retrospectively until 25 February 2015.

1. Initial Theoretical Training for Airbus A318/319/320/321 (CFM56&V2500) and Boeing 737-300/400/500(CFM56)
2. Initial Practical Training for Airbus A318/319/320/321 (CFM56&V2500) and Boeing 737-300/400/500(CFM56)

Changes in the training courses or the methods of training must be communicated to the General Department of Civil Aviation at the Government of the Republic of Armenia (hereinafter-GDCA RA).

This confirmation is valid for 12 months and will be re-evaluated after application. During this period the GDCA RA determines whether the training organisation continues to meet the criteria in Section A of Annex IV (Part-147) of Regulation (EC) No 2042/2003 and if not, the GDCA RA can decide the evaluation will cease.

Yours sincerely,

SEROB KARAPETYAN
Director of AWD
